See Reverse Side for Additional Information

**** All tuition payments will be processed through FACTS Tuition Management Company for a nominal annual fee. The first tuition installment is due on June 1.** For those selecting a ten-payment plan, subsequent payments are due on the 20th of each month, from July through March. Late payments are subject to a late fee of \$25. If an account is more than 30 days past due, the student will not be allowed to return to school until the balance is paid. For all items returned NSF, FACTS will assess a \$30 fee, and late fees apply if subsequent bank drafts are unsuccessful. Tuition for early withdrawals is prorated based upon the number of days the student was enrolled, and an early withdrawal fee of 2/10 of the annual tuition is charged. Early withdrawal fee applies to students withdrawn after June 10.

Incidental charges (annual fees, preschool enrichment, early bird, after-school care, etc.), will be posted to **FACTS** and accessible to parents on the **Parent Portal**. A 10-day notification from FACTS will be transmitted to you monthly via the method you select detailing the incidental charges incurred during the previous month. We recommend that you select "AUTO PAY" for your incidental charges; otherwise, you are responsible to initiate payment by the due date in order to avoid late fees. Your bank account will be drafted for these charges unless you designate payment by credit or debit card (a credit card service fee applies for credit card payments). **You must maintain a valid method of payment at all times.**

Financial aid is available on a limited basis to enrolled elementary and middle school students only. Application information is available in the school office. Forms must be submitted online to School and Student Service for Financial Aid by April 1. We partner with the Florida Tax Credit Scholarship Program, Step Up for Students, for low income children. **For the 2021-22 school year, we have reached our quota for the number of students that we accept under this program.**

Contact the school office for further information on admissions and fees. Subject to Change.
