13. Will you faithfully abide by the policies that govern the life-style of our students as found in the Student Handbook and summarized briefly below? \_\_\_\_\_

As a Christian school, Spanish River Christian is committed to the teachings of the Bible, and we are persuaded that there should be a direct relationship between what a Christian student believes and how he or she behaves. We acknowledge that it is impossible to create a school community with behavioral standards that are acceptable to every student. We do, however, believe that it is essential to specify certain specific principles found in the Bible. We request, therefore, that all students abstain from, both on and off campus, the use of tobacco, alcoholic beverages, illegal drugs, profane language, and immoral behavior. We wish to make it clear that some of these rules are intended to help our community life and are not necessarily regarded as absolutes for all Christians.

Each student makes a firm commitment to abide by our rules when choosing to attend this school. Any violation of these rules is a break in that commitment. As a member of Spanish River Christian School, you will be expected to put forth a positive influence in your social relationships and to be a responsible member of the Spanish River Christian community.
