

May 2018

Dear Parents of Rising First Graders,

Research has shown that it is important for children to read on a daily basis during the summer to maintain and improve skills worked on during the school year. Rising first graders are required to read five books over the summer months to promote excitement and enthusiasm towards becoming a life-long reader.

Students should document their reading by recording at least five books on the Summer Reading Log. The completed log should be returned to their teacher by Friday, August 17, 2018.

A benefit of enrolling your child in the *optional* SRCS Summer Reading Program at our Library is that they may take AR quizzes on Tuesdays and Thursdays once they finish reading a book. These points will count towards their 1st Quarter AR goal. Please inquire at our Library if you are interested in registering.

We look forward to meeting our rising first graders in August. We pray you have a fun and relaxing summer!!

In Christ,

The First Grade Team
