

SRCS Summer AR Program

Dear Parents,

Great news! SRCS will be having an AR Summer Reading Program so that you can continue to build your child's excitement for reading and learning even after the school year ends!

It's easy to join the fun. Your child can choose from a variety of books from the SRCS library, public library, or home. Then, simply stop by the SRCS library and take the quizzes on the scheduled days. We have quizzes available for over 140,000 books.

If you register your child for the *optional* AR Summer Reading Program, his/her quizzes passed will count toward the 1st Quarter AR requirement of the 2018-2019 school year. An additional benefit for signing up for the *optional* AR Summer Reading Program, is that students are permitted to take their AR tests for their Summer Reading requirements assigned by each grade level before the school year begins.

The SRCS AR Summer Reading Program costs \$30.00 per student – a small price to pay for a summer of reading fun and growth! It is not mandatory to participate in the AR Summer Reading Program to fulfill the Summer Reading requirements for each grade level. **Please make your check payable to SRCS.**

The AR Summer Reading Program will be held on Tuesdays and Thursdays from 8:30 a.m.-3:30 p.m., June 12-July 19.

Please fill in the coupon below, attach your payment, and register no later than June 1.

Students may not be dropped off at the library without an adult accompanying them at all times.

Yes! Please sign up my child for the AR Summer Reading Program.
Enclosed is my \$30.00 check made payable to SRCS.
