

SRCS Birthday Book Club

How it works:

**A \$15.00 Donation enrolls your child in the club.

**An appropriate book will be purchased for the library in his/her honor. You may come in and choose a title from a select group of books, or allow me to choose one for you.

**The book will be checked out to your child on his/her birthday and presented with a bookmark.

**Inscriptions (birth date, name of child, the donor and even a favorite verse, quotation or brief note) will be permanently affixed to the book and it will become a part of SRCS history!

What to do:

Complete the form below and return it to the classroom teacher with a \$15.00 check. Please do this at least 2 weeks before your child's birthday.
