Junior Camp

Preschool: Ages 3 years old (by June 1st) – 5 years old

Junior campers are divided into small groups and follow a set schedule each day. Activities include arts and crafts, computer, game room, gym, devotions, weekly outdoor water activities and special attractions. Please note that **IMMUNIZATION FORMS** for Junior and Kindergarten campers are **REQUIRED** at the time of registration. Due to state and county regulations, all 3, 4, and 5-year-old campers must provide documentation of their health and immunization status. Ask your physician to provide you with Form 680 and Form 3040. These documents will be returned to you at the end of camp. Your child's health records are very important and therefore our camp has adopted the rule: "NO shots, NO camp, NO kidding!" All Jr. campers must be fully potty trained – no pull-ups allowed.

Senior Camp

Grades K through 6th (Just completed)

Senior campers will participate in many on-campus activities within their age group including archery, art, computer, game room, sports, devotions, and different weekly special events. Full-day campers may participate in off-campus field trips each week. Special attractions will also be available on a weekly basis. Camp for K - 6th grades includes field trips and a camp T-shirt. A camp T-shirt is required for all field trips. **(Important - All Kindergarten campers must submit necessary Department of Health forms – see above)**

Field Trips

There will be weekly field trips offered for Senior campers. Some of the field trips include The **WOW Factory**, **Off the Wall**, and much more! When you register your child for SOAR Camp, you will receive a SOAR Camp calendar with exact dates of all field trips.
